MyCustomTireCover is actually a factory who is specialized in manufacturing Custom Tire Cover , and other Tire Cover for almost 20 years, we have very good artisans and designers who will make your Tire Cover very beautiful, just as you imagined when you bought it!

In the past years, we've been confused by "how to find Custom Tire Cover lovers to buy our products", thanks to Shopify, now we can easily build this site to sell all our Custom Tire Cover collection! Yes, you are buying directly from a dedicated factory! So that the only money you have to pay is product costs, shipping fees and a little bit profits :P

All your Custom Tire Cover are covered by our return policy, so that you may shop with confidence! Any after-sale questions, please contact us at yourservice97@gmail.com, and our customer service representatives will try our best to serve you.
